Plastic bags can be dangerous, Please keep this bag away from babies and young children

PLEASE HELP US HELP OTHERS

We collect all types of unwanted textiles, including adult and children's clothing, hats, bags, belts, curtains, towels, bed linen and paired shoes (tied together with laces or elastic). Please make sure that donations are dry, clean and gently used. Please note we cannot accept duvets, pillows or work wear with logos or oil stains.

Textiles are sorted, then graded according to quality for reuse or recycling. Good quality textiles are exported to Eastern Europe providing affordable second hand clothing. Lesser quality textiles are made into a wide range of wiping clothes for industry use.

Thank you for your donation
